

**Statistical Computation Agreement  
Adopted 05.22.2018**

Upon completion of this form, the MLS recognizes that Subscribers who voluntarily affiliate themselves with a team/group within a real estate firm, agree that a designated team member will be credited in the MLS for sales/leases on behalf of the team/group. When filed with the MLS, the *Statistical Computation Agreement* (1) provides an ethical and consistent method for said credits to be given and (2) authorizes MLS Staff, when needed, to correct MLS data regarding said credits.

On behalf of the signatures below, I authorize the MLS to (circle one):
